

Directions from Alicante Airport to Javea and no 12 Felix Mendelssohn, Balcon Al mar

After you have exited the carpark by inserting your ticket in the boom gate machine you will see signs indicating the N-332 and the Blue signs for the N-340 / Elche / E-15 / A-7 / **Valencia** / Murcia / A-70

Take the Blue signs for the A-70 direction Valencia

Shortly within about a kilometer you will need to exit to the right direction Valencia. (Murcia is the opposite direction so always head towards Valencia)

You are now on the A-70 proper which will run into the big freeway AP-7 within 22km kilometers.

Before you get to the AP-7 you pass the A-77, just keep on the A-70

Once you are on the AP-7 you will come to the toll gates. Take a ticket and don't lose it.

Continue on the AP-7 for 57km and eventually you will take exit 63 for Benissa, Teleuda, N-332 and Gata de Gorgos. There is lots of warnings for the exits but take care at the actual exit as the turning is a bit sharp. This exit will lead you to the toll plaza. The toll for this distance is 5.25 euro.

After the toll the road will lead you to the N-332 and take the direction Valencia. Also this has the first mention of Javea (also you will see it spelt as Xabia in other places)

Proceed down the N332 for 3.2 km to the first roundabout. Go to the right (1st exit) direction Teulada on the CV-740 (This road is Av de Europa)

Continue on through the next roundabout and at the following roundabout take the 3rd exit up the main street in Teulada. This street has many pedestrian crossings and traffic lights on all of them.

Move into the left lane and when you come to the stop sign at the round about, at the end of the street and go to the left direction Benitachell and Javea.(Xabia)

This road winds down into the valley through the oranges and grape vines for the next 3 km till you reach Benitachell.(Benitaxel)

Follow the main flow of traffic through the town on the CV-740 (it's a very narrow street) and follow signs direction Javea. As you come into the town the road goes to the right into Calle del Pare Placido. There is a speed hump just prior to this.

Once you pass the town there is a Mas y Mas Supermarket on the right and you will come to a hardware and furniture store on the right. Take the road to the right immediately after this large white building into Cami de les Cansalades.

Follow this road for the next 4km and be careful of the speed humps.

Eventually after passing a rubbish transfer area and going down a hill you will come to a stop sign. Take a right (1st exit) into Cami Cabanes.

Follow this for 1km and it will merge into Carretera del Portixol (Portichol). Be careful to give way to the left sharp corner. There is a hardware store on this corner. This road is the CV-742 and you follow this for the next 8km up the hill to Balcon Al Mar. It becomes Carretera del Cabo La Noa. Also Cabo La Noa is the cape with a lighthouse so always follow signs in that direction.

You will come to shops and real estate buildings as you come to Balcon Al Mar.

Turn left into Carrer Cap Negre. There are blue coloured posts directing the traffic. At the entrance to this road is the “**Balcon Al Mar**” big sign on the wall. On the right at this junction is the rubbish station.

Follow this road up the steep hill and down the hill approx 1 km to the next roundabout which also has blue coloured posts.

The Pepe restaurant is on the left.

Proceed through the roundabout and the second turning to the right is **Calle Felix Mendelssohn**. Proceed 100 metres and No 12 is on the right.
